Ref. No: 12/00312/TPO | Received: Tue 14 Feb 2012 | Validated: Thu 16 Feb 2012 | Status: No further action

- Golden conifer - fell as it had to be trimmed because it was over the public footpath and road and is now unbalanced. We intend to replace the conifer with a native tree -Betula Pendula which will match the other tree in the front garden and the tree on the opposite side of the road.

10 Dinorben Beeches Fleet Hampshire GU52 7SR

Ref. No: 12/00200/TPO | Received: Tue 31 Jan 2012 | Validated: Tue 31 Jan 2012 | Status: Grant Permission

- We wish to replace the existing 10 conifers with a similar number of mature conifers of at least 3.5 metres in height. As far as we are aware they are not protected or in a conservation area. The line of conifers will be extended to provide additional screening and privacy. The current trees are in poor condition, at least two are dead and others will follow shortly. They are old and have not been properly cared for. They have been allowed to grow excessively tall, unnecessarily blocking light. Inexpert lopping has damaged the trees as well.
